

Organizations from

> **30** countries or regions are connected with IF.G

EVENTS

IF.G members from different countries worked together and brought inspiring innovation experiences to worldwide students in 2022

SUPPORTS TO IFGO

IFG organizations (IFGO) held very successful events with in 2022. IF.G supported these events to make them even more successful by

- making connections with potential partners and sponsors
- promoting the event to peoples and organizations connected with IF.G
- inviting volunteer international judges, speakers, and facilitators
